Halloween Safety Tips

- **Do not** trick or treat alone. Go with parents, an adult or friends.

- Tell your parents or guardian where you are going to be trick or treating.

- **Do not** go into anyone's house without your parents permission

- Check and make sure your costume is **flame proof.**

- Carry a flashlight or glow stick, **not a candle**.

- **Do not** put your jack o' lantern's near drapes or other flammable materials. Consider using specially designed battery operated lights to light up your jack o' lantern.
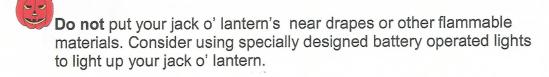

- Use a mask that does not restrict your vision or breathing.

- Remember to **stop, drop, and roll** if your clothing catches fire

- **Do not** eat any candy until your parents have checked it first.

- Know how to call **911** in case of emergencies.

Happy Halloween from your Los Angeles County Fire Department
